

PECB Certified ISO 18788

Lead Auditor

**Master the Audit of Security Operations Management System (SOMS)
based on ISO 18788**

Why should you attend?

The ISO 18788 Lead Auditor training enables you to develop the necessary expertise to perform a Security Operations Management System (SOMS) audit by applying widely recognized audit principles, procedures and techniques. During this training course, you will acquire the knowledge and skills to plan and carry out internal and external audits in compliance with ISO 19011 and ISO/IEC 17021-1 certification process.

Based on practical exercises, you will be able to master audit techniques and become competent to manage an audit program, audit team, communication with customers, and conflict resolution.

After acquiring the necessary expertise to perform this audit, you can sit for the exam and apply for a "PECB Certified ISO 18788 Lead Auditor" credential. By holding a PECB Lead Auditor Certificate, you will demonstrate that you have the capabilities and competencies to audit organizations based on best practices.

Who should attend?

- Auditors seeking to perform and lead Security Operations Management System (SOMS) certification audits
- Managers or consultants seeking to master a Security Operations Management System audit process
- Individuals responsible for maintaining conformance with SOMS requirements
- Technical experts seeking to prepare for a Security Operations Management System audit
